

# COLONIAL WILLIAMSBURG

**This historic city** is one of the places where modern America began and where many great ideas of our republic were formulated, debated and written into law. Here, a colorful period of American history comes to life in this restoration of the eighteenth century capital of Virginia. Today in this unique setting, Williamsburg's hosts, hostesses and craftsmen recall for visitors the importance of this historic city known to George Washington, Thomas Jefferson, Patrick Henry and other great Patriots.
