

MONTREAL AND QUEBEC CITY

(FRENCH CANADA)

French Canada can offer your classes a marvelous alternative to an expensive European tour. With 98% of its people speaking French as a first language and the obvious French influence in its food and architecture, Quebec and Montreal offers your students the opportunity to experience a foreign country first hand. With our bilingual tour guides and a visit to a local French school, your trip to Canada will prove to be a wonderful educational experience. Making the tour even more attractive, our dollar buys a lot more in Canada.
