

ORLANDO DANCE STUDIOS

Featuring Disney Magic Music Days

What better place to perform than in the most visited destination in the world, perform in front of thousands of Disney guests visiting from all over the globe. Your student performers will be treated like Disney Cast member entertainers and will perform on one of the many theme parks or Downtown Disney® stages. Students and Directors are invited to the popular *Disney's Magic Music Morning* breakfast, where Disney's Cast Members will conduct an informative orientation meeting to prepare the students for their performance. *Disney Entertains* Workshops can be added to your package, in which students will learn from the Disney instructors who help create the magic of *Walt Disney World*®. This will be an experience that will create memories that will last a lifetime. How many performers can say that they 'danced at Disney'.
